Dear Mr. GM Sharavanen :

I got introduced to you thro' my builder M/s. DRA Homes. When we first met at the model flat furnished by you at one of their projects (90 degrees), though I was not fully convinced at the outcome, I decided to enter into an agreement with you for doing interiors at my newly acquired flat – TUXEDO Elite promoted by DRA Homes located at Velachery.

When I look at the completed flat now, I am sure that my decision to engage you was right. I am quite happy with :

- Creativity in trying different approach
- Commitment to the task assigned
- Professionalism in completing the task

I wish to inform you that the final outcome was extremely good and me and my family members are thankful to you for delivering a superior quality work.

Continue to do the good work and WISHING YOU GOODLUCK AND ALL THE BEST for your future endeavours. Our professional relationship will continue.

Thanks ,

Happy to write this appreciation note for **Mr. G M SHARAVANEN of Aswin Interiorz** who recently completed the interior work for our flat in DRA Tuxedo Elite Block 1-8C.

We were looking for interior designer in March'20 just before COVID lockdown started. Sharavanen kept following up with us and was constantly sharing his designs and work from other projects.

His design concepts are aesthetic that combines niche and latest products to give a modern and elegant finish.

When we engaged him in early June immediately after the first lockdown he had just 6 weeks to finish our flat work including few weeks of 2nd phase of lockdown.

He and his team worked very hard during this difficult pandemic timeframe.

He is able to understand our taste and budget and recommends many innovative ideas , choice of materials, color etc...

We visited his factory which has a vast collection of boards for choosing our design. He quickly converted our design to CAD drawings and 3D images which helps us to visualize and confirm the final product

He is a thorough professional and his dealings are very clear without any hidden agenda or caveats.

He brings with him a multi faceted team and takes care of all our needs so that we don't have to run around.

Finally - he is able to deliver the project on time within agreed budget which is a very rare quality in the field of Interior designers. He is ethical and honest to deliver what we discussed

We are very impressed by his work and happy to recommend him anyone who is looking for interior consultation

Our Best Wishes Mr. G.M. Sharavanen of Aswin Interiorz
